11:00am in PhSc 105

“Physical Science and Nuclear Waste Disposal at Yucca Mountain”

Dr. William M. Murphy
Professor
Department of Geological and
Environmental Sciences
CSU Chico

Abstract:

In February 2002 President Bush notified Congress that the administration considers Yucca Mountain, Nevada, qualified for the Department of Energy to submit an application to construct the nation's permanent geologic repository for high-level nuclear waste. Did physical science contribute to this decision?
