

Physics Department Seminar

Friday February 16th, 2007

11:00 am in PhSc 105

“Tell Me Why: Electricity and Electrical Safety— An Illustration of the Challenges Facing Physics Educators”

Dr. Eric Ayars

Professor of Physics
Department of Physics
California State University, Chico

Abstract:

I will be presenting for your educational benefit and viewing pleasure "one of the video industry's best resources for supplementing a child's education". Free kazoos will be provided for the first 24 attendees.
