## “At The Intersection of Physics, Business, and Health”

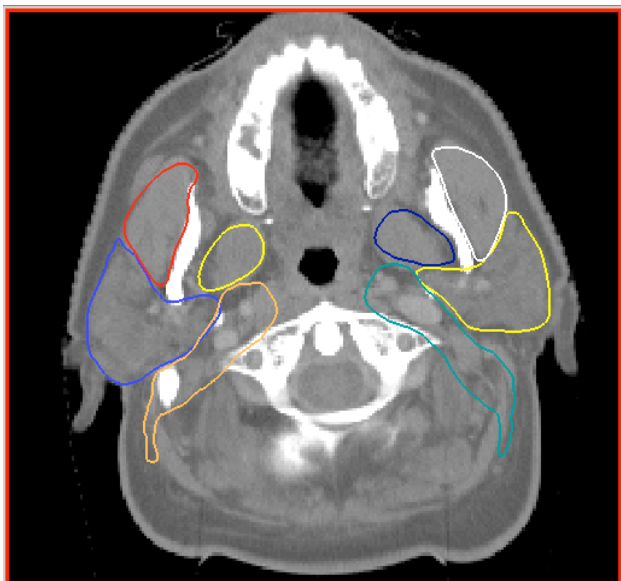

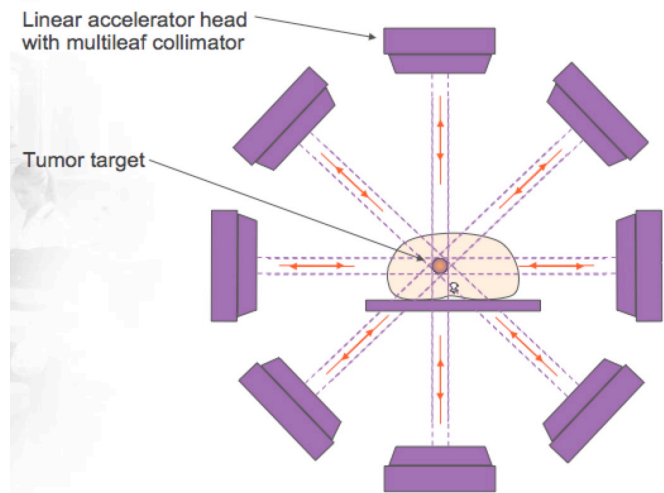

**Mr. Todd Powell**

Executive Vice President

Elekta Software

Physics Department

Graduate 1990

### Abstract:

Elekta is a human care company pioneering significant innovations and clinical solutions for treating cancer and brain disorders. Elekta provides intelligent and resource-efficient technologies that improve, prolong and save patient lives. As a member of the company’s leadership team, I see the synthesis of physics and business to create health care solutions for people.
