“Home Made Pdf Ebooks For Physics Students”

Dr. Philip Gash
Professor Emeritus
Department of Physics
CSU Chico

Abstract:

Talk will discuss how to format a sequence of pdf files to form a home made ebook. A set of physics major related ebooks for undergraduate and graduate work will be displayed. Adobe Acrobat will briefly be discussed because of its ability to form an index of a pdf-file ebook. Ebooks in the DJVU format will be displayed and briefly discussed. The set of physics major related ebooks will be made accessible to SPS members.
