

COURSE DESCRIPTION

Instructors: Members of the Society of Physics Students

Location: PhSc 110 Class Times: will be posted during the second week of classes

Prerequisites: Concurrent enrollment in Physics 202A, 202B, 204A, 204B or 204C.

Summary of the Course: These volunteer student tutors will help you with developing a deeper understanding of the physics required for your class. In the process they may assist you with your homework problems. There will be no additional homework assigned. Your grade is based on your participation.

Grading: Grading is CR/NC only. You must show up for tutoring 18 hours or more for a CR.

The Rules:

1. If you don't come for tutoring at least 18 times you will get a NC.
2. You cannot get credit for more than two hours per day.
3. You cannot get credit for more than five hours per week.
4. It is your responsibility to sign in and sign out for each visit.
